**Premium Group to Open Automobile Information Site for End Users**

Name	Premium Group Co., Ltd. (Securities Code: 7199)
Overview	Premium Group's wholly owned subsidiary Car Premium opened an automobile information website that connects end users and mobility companies on July 22.
About the site	<p>The website functions as a platform connecting end users and member stores of the group free of charge using the company's content. As numerous sites that provide automobile information have appeared recently, searching for and sifting through information has become an arduous task.</p> <p>The company decided to open the website with content suited to life with an automobile and providing various services to end users through the group's membership organization.</p>
Functions of the site	<ul style="list-style-type: none"> <li>-Seek used and unused cars There is a search function for finding automobiles matching users' life plans.</li> <li>-Seek used car retailers The site contains information that users seek to know from among information on automobile retailers centering on member stores of the group.</li> <li>-Seek symptoms of automobile failure/malfunction Users can use automobile symptoms as base to search for causes of failure and the market price of repair services.</li> <li>-Get assessment on automobiles Assessments can be obtained easily just by sending a photo. There is a convenient, non-face-to-face purchase service.</li> <li>-Read helpful articles concerning automobiles Helpful articles pertaining to life with an automobile are posted on the website including those featuring new and used car information, payment plans, repair services and inspection, and more.</li> </ul>
