Premium Group Announces Selection as Constituent of “JPX-Nikkei Mid and Small Cap Index”

Name	Premium Group Co., Ltd. (Securities Code: 7199)
Overview	Premium Group announces that the company’s stock has been selected as a constituent of the “JPX-Nikkei Mid and Small Cap Index” jointly calculated and provided by Tokyo Stock Exchange and Nikkei.
About the index	The index applies the concept of the JPX-Nikkei Index 400, which is an index consisting of highly attractive listed companies, to mid- and small-cap equities by selecting companies that focus on capital efficiency and investor-oriented management. It aims to foster greater awareness of such issues among a wider range of listed companies, and also aims to meet the needs of investors.
Selection methods	The index selects constituents from common stocks mainly traded on the Tokyo Stock Exchange (First Section, Second Section, Mothers and JASDAQ). It selects the top 200 stocks upon screening market capitalization, market liquidity indicators and other factors while also incorporating scoring based on quantitative indicators including 3-year average ROE and 3-year cumulative operating profit as well as scoring based on qualitative factors including appointment of independent outside directors.
